SCHEDULE B to UL RFP for Bathymetric and Stump Identification Survey – COST PROPOSAL TEMPLATE

Project Name: Bathymetric and Stump Identification Survey for University Lakes Project

Proposer shall fill out Exhibit A – Fee Proposal Form for all tasks. Omission of a proposed fee from any task shall result in the proposal being deemed unresponsive and therefore disqualified.

Task 1: Bathymetric Survey (10 points maximum)

1. Contractor to provide an order of magnitude unit price per transect. Assume 40 transects each measuring 1,500 feet.

Proposed Task 1 unit cost per transect = \$ 1,475 /transect

Task 2: Stump Identification (10 points maximum)

2. Contractor to provide an order of magnitude unit price per transect. Assume 80 transects each measuring 1,500 feet.

Proposed Task 2 unit cost per transect = \$ 798 /transect

The fees proposed in response to this RFP shall be guaranteed for the term of the Contract. UL requires the proposed or lower negotiated rates for the entire Contract term and any option period.
